

Please be advised that completing preliminary health and insurance questionnaires does not establish a physician-patient relationship with this practice. The physician you selected will review your health history and conduct an initial evaluation to determine whether the practice will accept you as a patient.

To our patients:

To provide you with our full time and attention when you come for an appointment, we would like to ask that you be aware of the following guidelines.

Prescription Refills:

- We have a state-of-the-art e-prescribing system. This works best if you **call your pharmacy directly for any prescription refills**, even if you have no refills left. The pharmacy will contact us directly to get approval for a refill or a new prescription.
- Please plan ahead as most local pharmacies request **2-3 business days** to process prescription requests. Pharmacies will typically give you a 2–3-day supply of any non-narcotic medication if you run out without realizing it and you need time for the pharmacy to process the refill.
- For **mail-order prescriptions**, please **contact your pharmacy via their 800 number or website**. Please be sure to contact your mail-order pharmacy at least two (2) weeks before you will need the refill. If it is necessary for us to complete forms for your mail-order pharmacy, please give us three (3) business days to complete the paperwork.
- Many drug plans will not cover brand-name medication or do so at a much higher cost. We are not always able to obtain prior authorization for your medications. Generally, you can expect to receive generic medications or pay a higher cost if you prefer the brand-name drugs.

Walk-in appointments:

- We almost always have same-day appointments available for urgent needs. Please call ahead to schedule an appointment instead of arriving at our office and requesting to see the provider. Walk-ins impact our ability to see scheduled patients on time.

Test results:

- We will notify you regarding all lab results either at your appointment, by phone, or by mail.
- If you have not been contacted with your results two (2) weeks after your appointment, please call our office to follow up.
- Pathology reports, pap smears, and bone density results may take up to four (4) weeks. Please call our office if you have not been contacted after four weeks.
- Please note that if you request lab work prior to your annual appointment, your insurance may not pay for those labs.
- We are happy to provide you with your most recent lab or radiology reports. Please call ahead, and we can have that ready for you at the front desk for pickup, upload it to the patient portal, or mail the results to you.

Copies of your medical record:

- If you would like a copy of your medical record, we will need a formal request from you, which must be completed in writing and signed by you or your authorized representative.
- Please allow 30 days for medical records requests. There may be a processing charge to release records to yourself. There is no charge to release records from one doctor to another.

Co-pays:

- Our contracts with insurance companies require us to collect your co-payment prior to you seeing the provider. Please be prepared to pay this upon arrival for your appointment.

Diagnostic testing:

- Your physician will generally have the report from any diagnostic testing 2-3 days following your test. The radiologist who reads the study will notify your provider if there are abnormal results that require immediate follow-up.
- CT scans may require insurance pre-authorization if not an emergent exam.
- MRI, PET, Nuclear Medicine, sleep studies, cardiac studies, and other diagnostic tests require insurance pre-authorization. You will be referred to outside facilities for these studies. We contact the imaging facility of your choice, and they will contact you to schedule an appointment. If you have not been contacted after two weeks, please call our office to request assistance scheduling your exam.

We appreciate you choosing Southern Oregon Internal Medicine for your health care needs.

Southern Oregon Internal Medicine

A Rogue Valley Physicians, P.C. Clinic

Financial Policy

Patient Name: _____ **Date of Birth:** _____

Thank you for choosing Southern Oregon Internal Medicine for your health care needs. The following is a statement of our Financial Policy, which we require you to read and sign prior to your visit with us. Please be sure to complete both pages.

REGARDING YOUR INSURANCE

It is not possible for a medical practice to become familiar with the details of every health insurance plan it encounters. It is the patient's responsibility to understand what their insurance covers, what it does not, and how much of the cost of services will be the patient's responsibility. We will submit insurance claims on behalf of our patients with insurance and will assist you in every way possible to obtain your maximum insurance benefits. However, you are responsible for our charges. We ask that you pay any deductible, co-pay, and balance owed at the time of service. Please remember that we can only estimate the amount an insurance company will pay, as payments are based on their fee schedule. Their fee schedules may differ from our charges. While we will do everything possible to help you obtain your maximum allowable insurance benefits, the insurance contract is between you and your insurance company and does not replace your responsibility for your account. If your insurance company has not paid your claim within 45 days, we will ask you to pay the balance in full. We will not be calling your insurance prior to your visit to verify your coverage.

SECONDARY INSURANCE

Having more than one insurer does not necessarily mean that your services are covered at 100%. We may bill your secondary carrier as a courtesy. You are responsible for any balance after insurance(s) have cleared.

USUAL AND CUSTOMARY RATES

Our practice is committed to providing the best care for our patients, and we charge at the usual and customary rate for our area. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates.

Page 1 of 2

FOR PATIENTS WITHOUT INSURANCE

We ask that our patients without insurance pay at least ½ of their charges at the time of service. The remaining balance must be paid in 2 equal monthly payments. Special arrangements may be made with the advance approval of the billing department. Please let the receptionist know if you need to speak to our billing staff.

OREGON HEALTH PLAN PATIENTS

If you are an Oregon Health Plan/Medical Card patient, we require that you show your current medical card before each visit and that you are currently assigned to the appropriate physician. We will reschedule your appointment if you fail to comply with this policy and do not present your current card. We are unable to contact your insurance before your visit to verify your coverage.

SERVICE CHARGES

A \$25.00 fee will be assessed to your account for any returned check due to insufficient funds. A \$50.00 fee may be assessed to your account for a missed appointment.

An administrative flat fee of \$25.00 will be charged for non-clinical paperwork (such as disability, FMLA, or insurance forms) submitted without a visit. Payment is due upon completion of the forms.

WE ACCEPT PERSONAL CHECKS, MONEY ORDERS, VISA, MASTERCARD, AMERICAN EXPRESS, DISCOVER, AND CASH

Thank you for your attention to our financial policy. Please let us know if you have any questions or concerns.

I have read the Financial Policy. I understand and agree to the terms of this Policy. In addition, I authorize Southern Oregon Internal Medicine to release any medical information necessary to process a claim. I hereby authorize Rogue Valley Physicians, PC, to receive all payments due from my insurance company. I understand that I am financially responsible for the charges, and should it become necessary to collect monies in court, all court costs and attorney fees are the responsibility of the patient.
